

Patch Adams/Valentyns Roos **Glimlag** dag 20 Februarie 2010: Babahuis besoek:

‘May the Lord **SMILE** on you...The **SMILE** of God is the goal of your life...’ from Purpose Driven Life.

30somethings het op 20 Februarie God se **GLIMLAG** in **LIEFDE** Uitgestraal tydens ’n Babahuis besoek...’n lewensverrykende ervaring Wat nie werklik in woorde beskryf kan word...God het my hart met die volgende ware feite in gedigvorm aangeraak...

‘A letter from Heaven: God is **SMILING**’

@ Birth I’ve been rejected
@ Night I’ve been affected
Counting stars that God created
No love just disappointed...
But God was there, **SMILING** @ me...

My world was small & dark
No light could bring a spark
To light the candle of my life
Pain just cutting like a knife...
But God was there **SMILING** @ me...

1 day some1 pushed me through an OPEN DOOR
Sliding on the sterile floor
Anointed hands touched my life
Held my close in warm embrace...
And God was there still **SMILING** @ me...

I’ve been so sick with complex disease
& was taken to BIG SHOES for pain to ease
Special doctors, God-sent to earth
Comforted babies like me who lost our worth...
God still was watching...**SMILING** @ me...

I returned to Baby House to find
An Angel named Ansie, who will leave no child behind
She kept me warm and took care of my needs
& her staff angles too with their special deeds...
God was still **SMILING** @ me...

I got sicker but had no fear
Cause the Angels Ansie, her staff & a special nurse were always near
Baby House was never a prison

**But a SAFE PLACE for hopeless hearts to be risen...
God was still SMILING @ me...**

**Temporarily visit to Baby House is paid
Love, physical & emotional care is urgent first aid
Comfort & care is part of the angel's 'dare to love'
Their LOVE, FAITH & HOPE straight from the Father above
God was still SMILING @ me...**

**Ansie & the nurse protected me like their own child
Their hearts never mild.....
Their LOVE always and still from Heaven...**

**Where I am today...SMILING with God, SMILING @ people sharing His SMILE
In a broken world...'**

**Matt: 18:5 'And whoever receives and accepts and welcomes one little child like this
for My sake and in My name receives and accepts and welcomes Me...'**

**May the Lord always BLESS, GUARD and KEEP you as you open your heart to
Him and to a child, sharing HIS SMILE...**

**Baie dankie vir Ansie se gasvryheid en liefde, almal se glimlag asook almal wat God
laat glimlag terwyl jul aanhou bid vir die Babahuis!**

Liefdegroete en 'n Glimlag tot ons ontmoet vir die volgende besoek in Junie.

Isabel
