

A FRAMEWORK FOR NEW GENERATION MINISTRY - CHRISTELLE BOTES

Rationale & Module Outcomes

A study of the framework of New Generation Ministry is important because it equips the student with the abilities and skills necessary for engaging and interacting with the next generation.

On completion of this module, you should be able to:

- Understand and obtain basic knowledge of the different generations
- Know and understand the different phases of children to adolescents
- Know and describe your own strengths, how to develop your own leadership with a focus on emotional intelligences
- Understand the role of the youth worker.
- Have insight about the next generation and the various issues they are face.
- Apply your knowledge when in conversation or leading children and teenagers.
- Understand the new generation in ministry context.
- Understand how to minister to children and youth with a contemplative focus.
