LUKE 2:25-32

**1. HE WAS WAITING FOR THE
CONSOLATION OF ISRAEL**

Can we also live like this with anticipation and excitement even in the midst of whatever is difficult or heavy for us now?

2. MOVED BY THE SPIRIT

He is focused, dependent, and discerning God's voice, through the Spirit that is upon him, moving him, so that he can go where God fulfills His promise and receives what he is waiting for... and he steps in at exactly the right moment to meet Jesus.

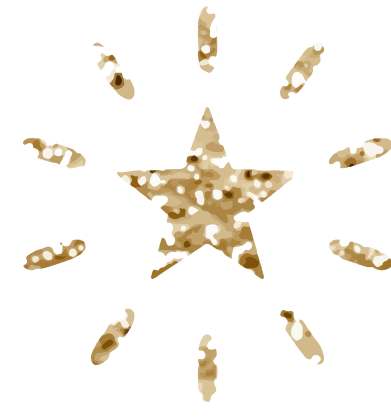

Simeon allows the Holy Spirit to determine his course and though his story I feel invited to let myself be moved by the spirit as well.

3. HE WENT INTO THE TEMPLE COURTS

For the Israelites, the temple was the meeting place where you could be in God's presence - it was the place where you could gain access to God and His word to some extent. Simeon goes here. He goes looking for God. He shows up to be with God.

How do we find these temple moments in our day?
